Sir,

Please refer to the letter under " Ref " above wherein you have intimated Trade union actions on 06.08.2012, 09.08.2012 and 13.08.2012, in connection with pending issues.

In this regard, I am directed to inform that the administration is taking suitable and necessary action to sort out the issues and is of the view that the issues can be discussed across the table and an amicable solution can be found.

It is needless to mention that when the company is facing stiff competition from private operators and its revenue has gone down considerably, any agitational approach by the unions and associations will not only affect its financial viability , but also help its competitors win over the alienated consumers from BSNL.

Further, 179 days officiating period is agreed by GM(F) and transfer of Shri. R. M. Jayaraman, A.O. TT to TVL is also agreed . Other demands are under consideration.

In view of the above and in the overall interest of the company and to maintain industrial peace and harmony, I am directed to request you to withdraw the proposed one day Dharna in front of SSA HQrs on 09.08.2012 and Relay fast in front of CGM office, Chennai and Work according to rule throughout the circle on 13.08.2012.

Yours sincerely,

(M. SHANMUGAM),

Deputy General Manager (Admin),
for Chief General Manager, BSNL,
Tamilnadu Circle, Chennai 600 202.
